Dear Parents,

2008 SPRING SPORTS REGISTRATION FORMS AND TRYOUTS

DEADLINE TO SIGN UP: FRIDAY, JANUARY 11, 2008

In order to be able to plan for the spring season we must have an accurate count of the number of students who plan to try out for the various sports. Please complete the attached form and return it to the Athletic Office. Registration forms received after the deadline date will only be accepted if there are no cuts being made for that particular team and if there is a need to increase the roster. This decision is up to the Athletic Director and the coach. Students may only play one CYO sport during the spring season.

We encourage students and parents to make sure that the students are serious and committed to the sport for which that they decide to try out. If you are chosen for a team, you are expected to attend all practices and games. You cannot attend when it is convenient. **IF YOUR CHILD IS HEAVILY INVOLVED IN OTHER ACTIVITIES DURING THE SPRING SPORTS SEASON AND CANNOT ATTEND ALL PRACTICES AND GAMES, THEY SHOULD NOT TRY OUT.** Cuts are possible at all levels. It is very difficult when some children are cut from teams only to have those who make a team not attend regularly, or even quit mid season. Please remember that commitment is more important than ability.

The spring sports' season runs from March 15 to June 13 and there is a 3 to 5 day per week commitment for the whole season. Tryouts will be held in early March. Details on the tryouts will be handed out to the students who registered on time when then are finalized sometime in February.

SPORTS AND BOOSTER CLUB FEES MUST BE PAID WITH REGISTRATION FORMS. If your child does not make a team, you may request a refund using the form from the sports website. If your child makes the team and quits the team, you will forfeit your fees.

Special CYO rules regarding baseball and softball only:

The CYO allows a player to participate in the same sport in another organized league for baseball and softball only. This is permitted so that CYO athletes will not be prevented from participating in summer programs that often begin in April or May and continue through out the summer.

The St. Hugo Policy regarding athletes who will play on the CYO baseball or softball team and another team is as follows:

- If you have a practice at the same time for both teams, you must attend the St. Hugo CYO practice;
- If you have a game at the same time for both teams, you must attend the St. Hugo CYO game;
- If you have a practice for St. Hugo CYO and a game for your other team, you are allowed to miss practice and play in your other game.

If you have any questions, please call Tom Barrett at 248-642-6131.
